

INVITATION

University of Life Sciences "King Mihai I" from Timisoara, invites you on *25-26 May 2023* at a new edition of the international scientific conference:

<https://www.arls.ro/>

The conference covers a wide range of topics in life sciences (agriculture, horticulture, biotechnology, forestry, veterinary medicine, environmental engineering, geomatics, agro-food processing, agricultural management, animal husbandry) aiming at creating an incentive framework for presenting the latest research results, innovative ideas and concepts and, for interaction or exchange of experiences between the participants.

Participants registered at the conference may publish presentations containing original contributions, by choice in one of the following journals: **Advanced Research of Life Sciences Journal** (<https://content.sciendo.com/view/journals/arls/arls-overview.xml?language=en>) or in one of the sections journals indexed in international databases .

*On Behalf of the organizing committee,
we cordially invite all of you to participate !*

*Rector,
Prof.dr. Cosmin Alin POPESCU*

*Vice-rector,
Prof.dr. Isidora Radulov*

The International Multidisciplinary Conference on Sustainable Development, to be held from 25th to 26th May 2023 , brings together experts and researchers from over 25 countries and promotes the exchange of ideas and innovative experiences in the multidisciplinary field of life sciences.

Participants will have the opportunity to present short presentations and posters on their work and discuss their research in a relaxed, multidisciplinary and scientific environment. We also offer keynote lectures by internationally recognized scientists working in areas connected to the conference sections:

Veterinary Medicine: *Animal breeding and pathology today* –

<https://simpozionfmv.usab-tm.ro/>

The registration of the papers is done online, on the conference sections website, according to the calendar:
